Jim, anytime is good with me, so just pick the most convenient time for you. I would like to invite the lady that Ecology is assigning to assist with groundwater sampling. She may be interested in our discussion of results, so maybe you could identify a couple different times that work for you. One of them should work for her as well.

Yes do you have any time from 1130AM onward? I can reschedule morning meetings (except my 830-930) if you need to meet earlier, say at 1000.

Let me know- Thanks- Jim

OK, we'll need to reschedule for Thursday. I'll be at our Logistics Center on Thursday if you'd like to meet face-to-face. It's located in Seattle by Boeing Field.

I'm in the field until around 11 AM. If not free after 11 I'm free most of Thursday (except 830-930).
Thanks

James, I'd like to call you to discuss the data./

Are you available tomorrow morning?

Hi, James.

If you have questions, let's plan on a phone call.

We are working on access through the court system for well installation.
